

123ContactForm plugin for WordPress

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

All form building features of 123ContactForm in one plugin for WordPress. Requires a free account on www.123contactform.com. Gives the ability to post any type of form and survey on WordPress pages: contact forms, order forms, event registration forms, polls. Features include payment integration for order forms (PayPal, Google Checkout, Authorize.Net), 3rd party apps integration, field branching, CSS styling. Two publishing options: 1. Copy-pasting the line of code for each form in the WordPress post; 2. Quick access on WP to all forms created with 123ContactForm via API key. No programming experience required. Just install the 123ContactForm plugin and embed your forms on WordPress pages.
