2daybiz Auction Script provides everything you need, to establish a professionally looking online Auction website like Ebay.com. You can create an efficient, trusted web platform to connect small and medium-sized buyers and suppliers from all around the world. Our Auction Script is packed with high end features to provide a very sound foundation for a trading portal site. It is extremely flexible so that you can customize according to your needs. The script is also easy to manage as it comes with a powerful back office application providing full control over the website like structure management, templates, server side forms, detailed statistics to the administrators. You can earn revenue from your site by converting the traffic into ads and membership charges.
