Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

3D Buzz Mailer gives visitors at your site the ability to contact you with a simple 4-field form (Name, E-mail, Subject, Details). It automatically protects you from Spam Bots and other spamming methods, it will run on any PHP supported server, and it's self-contained so all you need to run it is a server with PHP support.
