Aborior's Calendar

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Add a simple calendar of events for your site. You may either use the standalone calendar page, or use SSI to include the calendar in your own HTML pages. Select any month or year to view. Add single day events, or events that span multiple days. View a list of all events on a certain day. Search through all events. The admin area lets you add/edit/delete all events.
