Aborior's Simplex Link Manager

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Fire up your links page by tracking hits in and out of your site. Exchange links with other sites and let your links page rank them by the number of hits they send to you. Let users add and edit their own links, but moderate them before changes are confirmed. Suitable for automating your links page or running a top sites program. Use it as a standalone application or integrate it into your site using SSI. Entire look can be controlled with a series of flexible templates.
