

ABTi User Feedback

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

The ABTi User Feedback allows site owners to get user feedback. It is ideal for user- or customer-driven websites. It has "browse" functionality for users. There are confirmation and alert mails for users and site owners, respectively. Alert mails help ensure that customer concerns are attended to in a timely manner. The admin resources are protected with Basic authentication.
