

Account Finder

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Account Finder is designed to assist webmasters with the daily maintenance of the private website directories. It supports unique User Name's and offers direct addition to your .htaccess or .nsconfig files. Misplaced your Username and/or Password to your favorite members-only website? Download this program and send it to the webmaster of that site.
