Ace Hold Focus

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This JavaScript code allows you to ensure a window to remain in focus, on top. Useful for web site news or smaller popup windows that are easily shuffled under out of focus. Try to change focus to a different page, click another window, and you will see how the script works.
