Ad-Trackz

Address Contact Person Mobile Number Email

{value_address} {value_contact_person} {value_mobile_number} {value_email}

Ad-Trackz let's you see where all your traffic is coming from, and then automatically analyzes the return of investment of those sources so you can focus your time on campaigns that make money, and drop those that don't. Tracks sales and actions on remote, affiliate websites (No other script can do this!)
