| **Contact Person** | {value_contact_person} |
| **Mobile Number** | {value_mobile_number} |
| **Email** | {value_email} |

AdRotate gives you complete freedom over where you want to place your ads and how you want to implement them. Sell clicks, sell impressions, or just a period of time. It doesn't matter to AdRotate. It's all there. Track your stats and see how ads perform. You decide what the ad does and AdRotate makes it happen. You decide the shape, location, how many will show and for how long.
