

Advanced Reports for Magento

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

The Advanced Reports module improves the functionality of native Magento reports and creates a complete picture of your business situation. To assist your company in achieving success in today's fast-paced, competitive global marketplace, the Advanced Reports extension by aheadWorks is ready to be your reporting partner. Not only does this Magento extension allow you to obtain more sales information than ever before, but you can also use the information you cull to better draw conclusions about the status of your business.
