

Adword Equalizer

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Software that queries popular search engines to tell you what to sell, where to sell it and who to sell it through. It shows you which programs to sign up for and exactly what keywords to sell with. Learn the keyword marketplace for each keyword you target, the other merchants you need to work with or compete with, the keywords that others are profiting from that you are not and where you can find cheaper targeted traffic.
