AEA MMImageSelector

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This is an applet for presenting a group of images to the homepage visitor. Thumbnail images are generated automatically. When you click on one of them, the image will rotate towards you and enlarge itself using an advanced 3D effect. After a while, the image will return to it's place.
