

# AJAX Plugin for AdSense

|                       |                        |
|-----------------------|------------------------|
| <b>Address</b>        | {value_address}        |
| <b>Contact Person</b> | {value_contact_person} |
| <b>Mobile Number</b>  | {value_mobile_number}  |
| <b>Email</b>          | {value_email}          |

AJAX Plugin for AdSense provides a very easy way to generate revenue from your blog using Google AdSense. With its full set of features, AJAX Plugin for AdSense is perhaps the first plugin to give you a complete solution for everything AdSense-related. The admin interface of this plugin uses a highly functional and modern interface based on the twitter bootstrap framework with generous, context-sensitive help on every single option.
