

AJAX Plugin for AdSense

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

AJAX Plugin for AdSense provides a very easy way to generate revenue from your blog using Google AdSense. With its full set of features, AJAX Plugin for AdSense is perhaps the first plugin to give you a complete solution for everything AdSense-related. The admin interface of this plugin uses a highly functional and modern interface based on the twitter bootstrap framework with generous, context-sensitive help on every single option.
