Alexa Booster has been designed to simulate real online visitors and also simulating referrals to your site. It will improve your Alexa and search engine rankings. More than 90% of people head to a search engine when they need something in the Internet. Why do your competitors outrank you then? Three reasons: traffic, timed submissions, and link popularity. Alexa Booster is here to help you with one of the biggest asset and that's traffic. The Alexa Booster software will boost your Alexa rankings but it will also help increase your Google listings as well. To sum it up, the Alexa Booster is aimed at increasing your online business. Version 3.2 features a built-in referral system with a wizard and a built-in scanner.
