

Amazon Product Feed Enhanced Template and Shopping System

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This template is html driven for mrrat's Amazon product feed and it comes as a full install. No more bland layout. This template turns it into an actual store with an actual shopping cart. The only time it goes to Amazon upon payment of a single or multiple products. Whether you use this as a stand alone site or integrate it into an existing site, we've made this template much better to work with. Key features include: Shopping Cart, Better Page url's, 100% Integrated SEO, Better Layout, Captcha Protected Contact Form
