In this interview, Wrox authors and .NET experts Rocky Lhotka and Billy Hollis discuss their work on Professional VB.NET and what excites them about this new technology. Billy Hollis first learned BASIC over 25 years ago, and is co-author of the first book ever published on Visual Basic.NET, VB.NET Programming with the Public Beta from Wrox Press. Billy is MSDN Regional Director of Developer Relations in Nashville, Tennessee for Microsoft, and also has his own consulting company. Rockford Lhotka is co-author of VB.NET Programming with the Public Beta, author of Professional Visual Basic 6 Distributed Objects and Visual Basic 6 Business Objects and is the Principal Technology Evangelist for one of the nation's premiere Microsoft Certified Solution Providers.
