Apptha Recurring Payments Extension

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Improve your ecommerce sales and win over your customers by using Apptha's recurring payment. This payment extension which is adapted with magento, lets you sell a product on subscription basis (Day/Week/Month/ Year) to your customers. However payments can be made only via paypal express checkout. This recurring payment module is compatible with community edition of Magento 1.9.
