

Arnica - Creative Coming Soon WordPress Plugin

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Arnica is a creative and professional coming soon WordPress Plugin built with Bootstrap framework. It includes Ajax MailChimp subscription and Google Maps. With this WordPress Plugin you will be able to work on your site/theme while your visitors see the under construction page. When you're done just disable it in the Arnica admin and your new site will be live. You can then keep using it whenever you need to take your site into maintenance mode.
