

Article Manager UK

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Article Manager UK is a simple system to effectively update, add, delete and view pages on a website. It comes with a template frontend for you to work with and is all commented throughout. Easy to install by simply uploading. You will never have to add new pages in HTML again since you can add HTML, Javascript through the article manager.
