

Ascad Graphical Counter

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

If Graphical Counter could be described in one word, it would have to be "effective". This versatile program will be installed with little set up required and will track as many pages as you wish. New in version 2.0, "counter groups" will make tracking different areas of your web site seamless, while built in referrer tracking will allow you to determine from where your web site's visitors are arriving!
