

# Ask.com Theme (for Inout Search Engine)

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

The Ask theme addon will modify your search engine look and feel similar to Ask.com. Though it is not an exact clone of ask.com, this will give your users an eye catchy experience like ask. Similar to Ask, administrators can create any number of themes and users can choose any of them according to their preference. Apart from the regular features of Inout Search Engine, the Ask Theme addon provides 2 additional features for showing up popular images and videos along with popular keywords.
