ASP FlashQuiz

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Create quizzes and collect valuable feedback easily and quickly with ASP FlashQuiz. You can integrate the quiz or survey seamlessly into your web pages. Choose to display all the questions on one page or over several pages. You could also configure the survey or quiz output to suit your application or preference. ASP FlashQuiz also keeps track of user and survey statistics and generates bar charts to provide graphical visualization of results for viewing and printing.
