

# Atlant Pro. Classified Ads Script with E-commerce Solution.

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

Atlant Pro can work with plain text or MySQL databases. Script supports fee based membership sign up with real-time credit card processing. Some classifieds abilities (submitting ads, sending privacy mail to ad owners, viewing ads ) can be specified for using only by members. Before ads appear in the index admin can optionally moderate ad submissions. Users can place ads with many photos, preview photo and multimedia file. Password protected editing, renewing, deleting of ads. Powerful database searching capabilities with many criteria. Users can subscribe for mail list with special criteria. HTML Templates. Admin. can specify high priority level and comments for some ads. Anti-Spamming Features. For each category a set of ad fields (such as price, city, age, area, etc.) can be specified. Try the free version to see how it works !
