Auto-Clubs allows your members to create and manage their own clubs/groups. Every club offers a discussion forum, a calendar, to do list, news, links, a detailed listing of all club members and more. The owner of the club can decide whether or not to restrict access to it. This is ideal for sites looking to become a community of communities. Auto-Clubs shares an integrated backend - account management, billing, advertising, templates and administration - with over 25 other pluggable software modules. You can add grow your site as your needs expand all using a single integrated suite. No more multiple logins and inconsistencies.
