Auto-GamesPro is a package of fun games that includes Video Poker, BlackJack, In Between, Memory, and Hangman. The games are all tied to a point system that allows users to compare their performance. Auto-GamesPro is a great way to keep visitors on your site. Points are kept between games and can be awarded for other activities like clicking on banners. This package shares an integrated backend - account management, billing, advertising, templates and administration - with over 25 other pluggable software modules. You can add grow your site as your needs expand all using a single integrated suite. No more multiple logins and inconsistencies.
