Auto Links Plugin for Subrion CMS

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This plugin automatically turns text from you Surbrion powered website into monitized links. The plugin uses the Viglink service for monitizing your entire site. You will need an account to use this plugin. VigLink technology instantly and automatically captures the value of content that drives commerce. VigLink monetize ordinary links to over 30,000 retailers, whether they're created by you or VigLink. VigLink technology works across sites, apps, and social networks so you can focus on your business, earn more, and avoid the hassle of managing countless affiliate programs. There's no cost to try, and you can get up and running in minutes.
