This is an international business to business (B2B) trade portal software that helps buyers and suppliers of goods and services to overcome the major hurdle of locating suitable trading partners. This is a common place where buyers and suppliers come together to meet in a "virtual online tradeshow" of goods and services. It's primary focus is to enable and facilitate trade at the manufacturing, import, export and wholesale levels. Buyers will find thousands of trade leads from the worlds most reputable suppliers. Membership are free and Paid to both buyers and suppliers. This is a very powerful online Online B2B Market Place system that we've developed exclusively and user friendly for both buyers and suppliers. Buyers/Suppliers will be able to search, update, add/remove, and edit their sell offer/buy offers/company profiles from database. In addition, theyr can also add/delete/change descriptions, upload images/photos of their products.
