Backend Wizard

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Users can upload their MySQL tables to our site and can create scripts working on these tables. These scripts can list, insert, update and delete rows in a MySQL table. They can be tested online. Users must pay for download only. There are more payment options: The Pay Per Download method or One Month/One Quarter/One Year unlimited access option.
