

# Backup WHM To Amazon S3

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

Backup your WHM & cPanel backup archives to Amazons hugely resilient Simple Storage Service (S3). Take advantage of automated off-site WHM backups without the need for additional costly hardware. S3BackupWHM tags onto the end of your existing WHM backup process and securely copies your backed up files to Amazon S3. We also regularly develop updates and plugins for the script.
