

Bennie Webdesign Linklist

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This script will allow you and your visitors to add and view links sorted by category. You as administrator can delete links. You can have several linklists on your sites driven by this script. Every category is called by your html page by SSI, making it possible to exchange categories easily between different pages.
