

BirthdayReminder

| | |
|-----------------------|------------------------|
| Address | {value_address} |
| Contact Person | {value_contact_person} |
| Mobile Number | {value_mobile_number} |
| Email | {value_email} |

This script set allows you to do several things. You can setup a system to automatically mail all your friends or members a birthday card, or you can setup and run a Birthday Reminder service where surfers add their friends and family birthdays and the program sends them a reminder letter on the day of the birthday.
