

BIS Postcard

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

With BIS Postcard, anybody can send a picture postcard to his/her friends. Cards are stored in a flat file back end. Old cards are automatically expired. A really great thing about BIS Postcard is it's simplicity. Users don't have to jump through radio buttons and check boxes and complicated forms just to send a card. All they need to do is click on an image, then fill in To, From, and the message!
