BiTBOARD 2.5 is the latest release of the BiTSHiFTERS Bitbaord forum software. It is an internet bulletin-board software basing on a flatfile data storage system which means that no SQL support is needed. BiTBOARD has been created to safe yourself from overbloated BB systems. It's fast, easy and small. Version 2.5 includes a greatly improved admin system, user management, user registration, banning and more. Give it a chance!
