Business classifieds directory. BizDirectory is a yellowpages-like directory for business listings. Supports free basic listings and premium sponsored (pay) listing (automated with Paypal subscription billing). Address lookup via Google maps, search and tell-a-friend features, client side & robust administrative control panels. Our easy installation will have most users up and running quickly. Customization is also quite easy, even for the non-programmer. Many additional features are yours as well with BizDirectory, please come check them out at our website. Live demonstrations available.
