

BK Dev ASP Forum

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

BK Dev ASP Forum has evolved into a full featured forum. It has a simple interface and easy to setup. Setting up categories and topics is a breeze with admin options page. Breaks long lists of threads and long threads into multiple pages for easy viewing. Unlimited members, categories, topics and threads. Admin section. Email notification to members who have previously posted in that thread. Options to allow HTML or Forum codes. Locking/unlocking of threads by administrators. Auto login option. Four forum levels: members, premier members, moderators and administrators. Public and private sections.
