

BoldChat: Live Chat for Your Website

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

The world's most popular live chat service. So easy to get started that within a matter of minutes, you can be chatting with visitors on your website. Simply add the provided chat button html to your web pages and install the BoldChat Operator Client application on your PC to answer chats. Receive alerts when a visitor clicks your chat button. Take advantage of our 10-day free trial, to sample the full power of live chat integrated with the ability to monitor visitors, manage sales leads, manage inbound emails, and manage tickets.
