Breathe new life into your Magneto website through the use of appropriate and well placed banners. With Brand Banner HD for Magneto you decide when, where and who should get to see your banners - ad banner management has never been this easy. You can now place your banners anywhere throughout your entire Magnento website. And we really mean anywhere including homepage, product pages, static pages, category pages and manufacturer pages. Brand Banner HD is the first ad banner module to include multiple banner types, multiple transitional effects, advanced scheduling options and live banner preview all in an easy to manage interface. Setting up and managing your banners has never been this easy!
