

BS Footer

| | |
|-----------------------|------------------------|
| Address | {value_address} |
| Contact Person | {value_contact_person} |
| Mobile Number | {value_mobile_number} |
| Email | {value_email} |

This is a Perl script which will display a message and/or back button on the bottom of your pages. This script is useful because a user only has to change one text file to change the message on all of your pages. (Requires SSI)

For more details, please visit <http://scripts.goclix.com/bs-footer-27436>
