

BSR Screen Recorder

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

BSR captures anything you see on the screen as video+audio and pictures. Records video to AVI, SWF, WMV, EXE formats. Any portion of the screen can be selected for recording. Records audio from microphone, speakers (what you hear), CD Audio, MIDI etc. into video. Includes everything you will need in a screen recorder. Plus includes Movie Lab and Studio : Cut portions from video, add sound, join & split videos, change their speed, compression etc.
