

# Buddy Zone :: Social Networking Script Pro 2.1

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

Buddy Zone Version 2.1 has all the features needed to run a successful social networking community like myspace or facebook or friendster. The features include the following: Browse by Zip Code, Search Users, Invite Users, Internal Mailing System, Blogs, Forums, Groups, Events, Classifieds, Photo Albums, Videos, Music, Profile Customization by Users, Video/Audio codes can be used in profiles/blogs, Search Users By City, Search Users By School, User Journals, User Address Book, User Gallery with Comments, Games. The best part is users are able to import their profiles from myspace directly. Address Book importer from yahoo, gmail, hotmail can be used to easily send the invitations for your site. Paypal Integration and IPN Support for membership and shopping cart included. Moderator option for admin whereby you can assign users to be mods and manage site easily. If you are looking to run a serious website with millions of users you just found it. We have live running sites to prove it.
