Build A FAQ

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Effortlessly build you FAQ and knowledge database. This search engine friendly program allows you to create multiple categories, sort categories and questions in any order and you can use your own templates, even if they use SSI. Comes with Admin control panel, extensive documentation and many more features. Doubles as a web page builder.
