

CalendarScript

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

CalendarScript is a fully customizable event-publishing solution. It gives you everything you'll need to begin, then gives you the power to redefine it to fit your specific needs. With one of the simplest installs ever created, you'll have a calendar of events up and running quickly - for your company, intranet, club, church, organization, school, family, or just for your own personal web site.
