Call For Price is a lightweight but highly useful mod to the popular Magento e-commerce framework. This mod adds a new administration tab to all products that will provide the option to remove the "add-to-cart" button from that products Grid/List/Display page and allow you to display a custom text snippet of your choice. 1. Hides Price and "add to cart" buttons 2. Displays a custom message per item 3. Removes product from "price filter" 4. Allows for HTML code in place of custom text
