Catalog Max is a tool designed to help you create catalogs and reports for your floppy disks, hard drives, optical disks, CD-ROMs, or just a single folder. With a simple and intuitive user interface, it's easy to create new catalogs and manage them. You can search files/folders in one catalog or in all catalogs. You can even customize your own catalog type and category so you can manage your catalogs more easily and more efficiently. Catalog Max is designed especially for the computer user with many CD-ROMS or floppy disks. Catalog Max can also export Printable HTML format report.
