CC ADS is simple script which may be used as a Classified Ads or Free-For-All Links program. CC ADS allows visitor to a website to enter data via a web form and posts those entries to a specified file. Some of its features include: Maximum Ads Threshold - the script can be configured to specify the maximum number of ads to be allowed for posting, Email Notification - the submitter is also sent a thank you email and Logging of Entries - it keeps a log of all those who submitted entries. The site owner may use this log file as a database of mailing addresses later on.
