

# Changing TextArea Background Images on MouseOver

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

Use this script to apply a background image to a textarea, and change the image on mouseover. The script can also change the text color in response to the mouseover event. An eye-catching effect, and very easy to install.
