The Cheap Scripts E-Cards Script allows your site visitors to send their friends e-cards. These E-Cards can be a picture, music file, and personal message. The script sends an e-mail to the person that recieves the E-Card. In edition to sending the e-mail it also logs both of the e-mail addresses that were used to send an e-mail to thank them for visiting your website. You can control what pictures and music files are available and you can have an unlimited number of pictures and/or music files.
