Successful retailers – whether offline or online – know the art of the upsell and cross sell. It is all about appealing to the buyer on the way out and luring the person to shell out a few dollars more. Use the Checkout Promo Magento module to increase your sales by making some tantalising offers to your customers. For example, "Buy Product X to get a 20% discount", "Spend more than $50 to get Product Y for $15 only!", "Buy product N to get K for free", and so on… Smart and intelligent, this powerful sales motivation extension arms you with product upsell capabilities that can rival those of the largest online retailers. Check out some of the wonderful features and benefits of the Checkout Promo extension.
